

Air Compressor

Oil-free PCP Compressor

This compressor designed for pcp and airguns. the working pressure is 300 bar / 4500 psi, and max can fill up to 400 bar / 6000 psi.

This compressor DO NOT need motor oil for lubricating, Oil free working and NO external water cooling. so it makes the air will pure enough, and there is also a large water separator on the left side of compressor, it can remove ALL the moisture and dusty, we can sure there will be NO any water into your pcp tube or cylinder. This can greatly protect your pcp tube and ensure more accurate shooting.

And the quality of this compressor is stable enough. Every compressor will fill 5 bottles of 6.8 Liter tanks before shipping, and no problem for filling 10 x 6.8 liters bottles non-stop working.

Item Model	ZYJ004ST
Power Supply	220V 50Hz/110V 60Hz
RMS Power	1200 Watt
Working Pressure	300 BAR / 4500 PSI
Cooling Way	Car Coolant Cooled
Controller	Automatic System
Net Weight	30 KGS
Gross Weight	45 KGS
Package	56x52x48 cm
Max. Temperature	70 °C
Air Filter	Desiccant and activated carbon
Noise	80dB
Fill Rate	40-42L/Min
Warranty	One Year

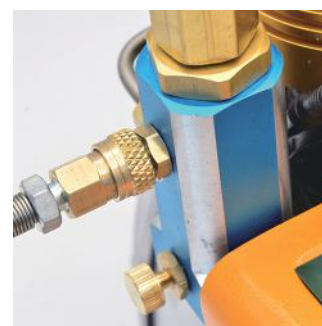

Approximate Fill Times:

450cc bottle from 0 to 300 bar in 5 mins
450cc bottle from 200 to 300 bar in 3 mins
90 cu-in. bottle from 0 to 200 bar in 10 mins
90 cu-in. bottle from 0 to 300 bar in 13 mins
74 cu-ft. tank from 0 to 200 bar in 37 mins
74 cu-ft. tank from 200 to 300 bar in 19 mins
74 cu-ft. tank from 0 to 300 bar in 55 mins

Air Compressor

Digital Controlled PCP Compressor

ZYS005ST is the latest 300 bar compressor for air rifle and cylinder. It equipped a digital display, the compressor can auto shut-off any pressure between 0 - 30 MPA (300 BAR). This compressor includes a overload protection, the actual pressure will approximately 1 MPA (10 BAR) less than what shows on screen. That means if you set 20MPa, the actual pressure in cylinder will be 19 MPa.

Item Model	ZYS005ST
Power Supply	110V 60Hz / 220V 50Hz
RMS Power	1800 Watt
Working Pressure	30 MPA / 300 BAR
Cooling Way	Water Cooled
Lubricating Oil	5W40 Synthetic Oil
Net Weight	18 KGS
Gross Weight	19 KGS
Dimensions	7.7" W, 10.3"L, 5.7" H
Max. Temperature	75 °C
Max. Capacity	6.8L / 74 Cu Ft

Approximate Fill Times:

450cc bottle from 0 to 300 bar in 4 mins
450cc bottle from 200 to 300 bar in 2 mins
90 cu-in. bottle from 0 to 200 bar in 9 mins
90 cu-in. bottle from 0 to 300 bar in 12 mins
74 cu-ft. tank from 0 to 200 bar in 34 mins
74 cu-ft. tank from 200 to 300 bar in 17 mins
74 cu-ft. tank from 0 to 300 bar in 50 mins

Air Compressor

Yong Heng PCP Compressor

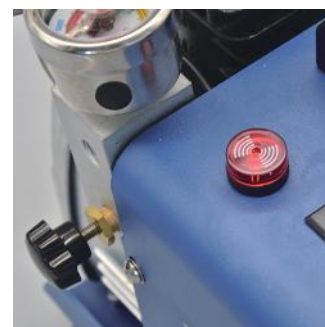

Yong Heng series air pump is the most popular model all around the world, there are 4 different versions. Yong Heng pumps have - SIMPLE, HARDCOVER, AUTO STOP and SET PRESSURE.

Simple Version - manual shut-off, recommend to fill airgun and small cylinder

Hardcover Version - manual shut-off, support max. 74 cu ft tank

Auto Stop Version - auto shut-off when pressure up to 4500 psi

Set Pressure Version - auto shut-off any pressure between 0 to 4500 psi

Item Model	ZYH003ST
Power Supply	110V 60Hz / 220V 50Hz
RMS Power	1800 Watt
Working Pressure	4500 PSI / 300 BAR
Cooling Way	Water Cooled
Lubricating Oil	ISO VG46 Hydraulic Oil
Net Weight	18 KGS
Gross Weight	19 KGS
Dimensions	7.7" W, 10.3"L, 5.7" H
Max. Temperature	70 °C
Max. Capacity	6.8L / 74 Cu Ft

Approximate Fill Times:

450cc bottle from 0 to 300 bar in 5 mins
450cc bottle from 200 to 300 bar in 3 mins
90 cu-in. bottle from 0 to 200 bar in 10 mins
90 cu-in. bottle from 0 to 300 bar in 15 mins
74 cu-ft. tank from 0 to 200 bar in 40 mins
74 cu-ft. tank from 200 to 300 bar in 20 mins
74 cu-ft. tank from 0 to 300 bar in 70 mins

Air Compressor

Item Model	ZYS002
Working Pressure	300 BAR / 4500 PSI
Cooling Way	Water Cooled
Voltage	110V 60Hz / 220V 50 Hz
Auto Shut-off	NO
Set Pressure	NO
Color	Red / Blue /Orange
Max. Cylinder	3 Liters

Item Model	ZYS005SS
Working Pressure	200 BAR / 3000 PSI
Cooling Way	Water Cooled
Voltage	110V 60Hz / 220V 50 Hz
Auto Shut-off	NO
Set Pressure	NO
Color	Red / Blue /Orange
Max. Cylinder	1.5 Liters

Item Model	ZYS005SP
Working Pressure	300 BAR / 4500 PSI
Cooling Way	Water Cooled
Voltage	110V 60Hz / 220V 50 Hz
Auto Shut-off	NO
Set Pressure	NO
Color	Red / Blue /Orange
Max. Cylinder	3 Liters

Air Pump

PCP Hand Pump With Air Dry System

ZY0013DP is a new 3 stage 4500 psi pcp hand pump. This pump includes a air dry system can remove more than 90% moisture, and protect airgun tube perfect. This series hand pump used a new piston and piston oring, make it's quality more stable and can be used long time.

NEW

Item Model	ZY0013DP
Working Pressure	300 bar / 4500 psi
Material	Stainless Steel
N.W	2.2 kgs
G.W	2.9 kgs
Min. Length	63mm
Max. Length	107mm
Color Available	Black / Silver / Camo

Spare Parts Included:

1xPressure Gauge

1xQuick Connector

1xHigh Pressure Hose

Spring, O-Ring

1xHex Wrench

2xTest Valve

3 Stage Pump Approximate Fill Times:

Benjamin Marauder Pistol (65cc): 0-3000 psi in approx. 25 pumps
Diana Stormrider (100cc): 0-3000 psi in approx. 110 pumps
Air Arms S510 Xtra FAC (231cc): 1450-2900 psi in approx. 130 pumps
Ataman M2R Carbine Ultra Compact (130cc): 0-4350 psi in approx. 210 pumps
Evanix Rainstorm (250cc): 0 - 3000 psi in approx. 275 pumps
Airforce Texan (490cc): 0-3000 psi in approx. 540 pumps

4 Stage Pump Approximate Fill Times:

Benjamin Marauder Pistol (65cc): 0-3000 psi in approx. 20 pumps
Diana Stormrider (100cc): 0-3000 psi in approx. 95 pumps
Air Arms S510 Xtra FAC (231cc): 1450-2900 psi in approx. 110 pumps
Ataman M2R Carbine Ultra Compact (130cc): 0-4350 psi in approx. 190 pumps
Evanix Rainstorm (250cc): 0 - 3000 psi in approx. 250 pumps
Airforce Texan (490cc): 0-3000 psi in approx. 480 pumps
